Leadership Registration

\$50.00 Full year of Classes

Requirement:

- In the Junior Kenpo Program
- Have a Leadership Uniform

Those students volunteering their time to function in a leadership role will get an early start on developing the skills and and experience that are the foundation of instructing and teaching others. Though young they will be exposed to many of the advanced teaching tools and communication skill training that are offered to the more mature instructors. They will be taught how to be a role model and a leader for their peers.
